

# Mother's Day Logic Puzzle

Chloe, Dylan, Emily, Juan, Noah, and Sara each got their moms a different gift for Mother's Day. The gifts were a book, flowers, a scarf, fruit, a necklace and candy. Use the clues to find out who gave each gift.

1. Emily told the person who was giving fruit, "That looks really tasty!"
2. Somebody gave a gift that starts with the same letter as their name.
3. The kid, who was giving his mom a book, wrapped it in blue paper.
4. Sara and Dylan's moms will be able to wear their gifts.
5. Noah and Emily got their moms something she could eat.
