

Exploring Logic Puzzle

Alex, Isabel, Noah, and Olivia each like to explore a different area. Use the clues to match the names with their favorite places to explore: caves, forests, museums, and tide pools.

1. Noah does not like flying mammals.
2. Even on a stormy day Isabel and Noah can enjoy their explorations.
3. Olivia found a jellyfish the last time she went exploring.

	Caves	Forests	Museums	Tide pools
Alex				
Isabel				
Noah				
Olivia				

Use the grid, if you would like, to eliminate possibilities. Put an "x" in a box if you know a name doesn't go with a place. Put an "o" if you know it does.

Solution to Exploring Logic Puzzle

Alex likes to explore forests.

Isabel likes to explore caves.

Noah likes to explore museums.

Olivia likes to explore tide pools.
