

Mystery Logic

Beth, Jessica, John, and Paul each have a different favorite mystery series they like to read. Use the clues to match the names with their favorites: *The Boxcar Children*, *Cam Jensen*, *Encyclopedia Brown*, and *Nate the Great*.

1. Beth's favorite has a word that begins with the same letter as her name.
2. *Nate the Great* is not the favorite of either Jessica or Paul.
3. The boy who likes *Encyclopedia Brown* read a book in one evening.

	Boxcar	Cam	Brown	Nate
Beth				
Jessica				
John				
Paul				

Use the grid, if you'd like, to eliminate possibilities. Put an "x" in a box if you know a series doesn't go with a person. Put an "o" if you know it does.

Solution:

Beth likes *The Boxcar Children*.
Jessica likes *Cam Jensen*.
John likes *Nate the Great*.
Paul likes *Encyclopedia Brown*.
