

Snowmen Secrets

Calvin, Helen, Kayla, and Trent were each building a snowman, and they each put something different on their snowman's head: a top hat, a cowboy hat, a baseball cap, and a cooking pot. Use the clues to decide who used what on their snowmen.

1. What Calvin used starts with the same letter as his name.
2. Kayla told the person using the top hat that he should tilt it more.
3. Helen said she bought the hat she used at a rodeo.

Use the grid, if you would like, to eliminate possibilities. Put an "x" in a box if you know a name doesn't go with a type of headwear. Put an "o" if you know it does.
